Re: Extreme Networks, Inc. v. Enterasys Networks, Inc.
Civil Action No. 07-C-229-C

Dear Judge Crabb:

I am writing to confirm a conversation that Attorney James Peterson and I had with your assistant earlier this afternoon. Attorney Peterson has seen this letter and approved its contents.

The above matter has been settled in principle. The hearing scheduled for tomorrow can be removed from the Court's calendar. The parties request that the Court's standard dismissal order not be entered. They make this request because the settlement will require the Court to address certain issues, particularly the injunction against, and bond posted by, Enterasys Networks, Inc. It appears to us that it would be more efficient for the matter to remain open pending the Court's receipt of the settlement documents from the parties.

Honorable Barbara B. Crabb
